Dear Ted and Sandy,

On behalf of the Cummings Jewish Centre for Seniors Foundation, we gratefully acknowledge the \$20,000 donation of March 2018 towards the Adler & Lipkus Compassionate Fund for Vulnerable Seniors. As agreed, this money will help low income seniors with items or services that are unaffordable to them. Additionally, a small portion of this money will be used to install an emergency alarm in the handicap washroom on the first floor.

I will continue to provide you with regular reports on how this fund is making a difference in the lives of our most vulnerable seniors.

We are tremendously appreciative of the Adler & Lipkus Foundation and your on-going support.

This letter may be used for income tax purposes. Our charitable registration # is 86006 1274 RR 0001.

Wishing you and your families a very happy Passover.

Sincerely yours,

Cathy Simons
Executive Director
