We'd like to Thank You!

Dear Sandy and Ted,

On behalf of the Paralympic Foundation of Canada, I would like to formally thank you for your gift pledge in conjunction with ImagiNation.

Your generosity will help to ensure that the programs, equipment and people are in place to propel more Canadians with a disability all the way from their communities to the Paralympic podium.

We are thrilled to be able to attribute your gift to ImagiNation through which we aspire to make sport accessible and available to all. ImagiNation will make it possible for more Canadians with a disability to choose sport, and should they desire, to have opportunities to excel on the world stage.

As an added bonus, the Government of Canada will be matching \$1 Million per year of the funds raised through ImagiNation, allowing us to leverage your gift to further positively impact Canadians athletes with a disability.

Thank you again for your support.

Sincerely,
